

QUAID-I-AZAM UNIVERSITY ISLAMABAD
OFFICE OF RESEARCH INNOVATION & COMMERCIALIZATION

SUBMITTED RESEARCH PROJECTS AT Q.A.U

Department of Biochemistry

S #	Name of Principal Investigator	Project Title	Funding Agency	Duration/initiation Date	Total Grant (Rs.)	ORIC Number
1	Dr. Mariam Anees	“To elucidate the expression of TNF-Related Apoptosis Inducing Ligand (TRAIL) pathway components in various cancer types”	HEC	26-11-12 1 Year	0.5 million	Biochem-0001
2	Dr. Rabab Satti	“Molecular characterization of L1PH protein	HEC	21-12-12 9 months	0.5 million	Biochem-0002
3	Dr. Mohammad Tahir Waheed	“Isolation and regeneration of protoplasts of Nicotiana tabacum: optimization of tissue culture conditions for plastid-based vaccine production”	HEC	5-7-12 9 months	0.5 million	Biochem-0003
4	Dr. Irum Murtaza	“Elucidation of Phosphorylated ARC and regulating factors as potent therapeutic intervention and diagnostic markers for ischemia valvular and neurotransmitter related cardiac disorders”	PSF	27-3-13	1.7244 million	Biochem-0004
5	Dr. Mariam Anees	“To elucidate the expression of TNF-Related Apoptosis Inducing Ligand (TRAIL) pathway components in various cancer types”	HEC	26-11-12 1 Year	0.5 million	Biochem-0005
